CONTINUING EDUCATION CREDITS

The Curry International Tuberculosis Center is approved as a provider of continuing education by the California State Board of Registered Nurses, Provider Number CEP 12308. This educational activity is approved for up to 1.50 continuing education hours. Board requirements prevent us from offering CE credit to people who arrive more than 15 minutes after the start of the training, or leave the training early. Therefore, partial credit will not be awarded.

Certificates will be available on the Curry International Tuberculosis Center website approximately twelve weeks after the training to all participants who requested nursing credits on their applications and who successfully complete the training. Successful completion includes signing in, attending the entire training, and completing an online evaluation. To view your certificate you will need to log onto our website, go to the [training page](#) and click on "training history."

This project was funded by the Centers for Disease Control and Prevention's Cooperative Agreement NU52PS910163-05, CITC is a project of the University of California, San Francisco (UCSF).

The views expressed in written conference materials or publications and by speakers do not necessarily reflect the official policies of the Department of Health and Human Services, nor does the mention of trade names, commercial practices or organizations imply endorsement by the US Government.
